

Green Transition Initiative

GREAT JOURNEY TO BETTER WORLD FOR ALL

Background

Global trends in response to climate change

- Climate emergency declaration and Urging global action on climate crisis.
 - Carbon neutrality by 2050 as a global agenda, active involvement of global partners.
- Strengthening global environment regulation
 - Introduce carbon border tax in EU and USA, and spread the campaign to join RE100.

Necessity of New Initiative for Carbon neutrality

- New Global Carbon Neutral Initiative is needed, based on the examples of lessons learned from AWC on Asia's representative cooperation platform to address water issues in the region.
- At G20 Environment Ministers' Meeting, Indonesia and Korea shared the utmost priority for the establishment of carbon neutrality platform,

Launch of GTI(Green Transition Initiative) to strengthen global implementation capacity in the carbon neutrality field and respond to the global climate crisis

promoting the carbon neutrality policy and responding global climate change

1 Joint statement between the Republic of Korea and the Republic of Indonesia for establishing and operating GTI to support Global Carbon Neutrality policy and to reponse climate change on Nov. 14, 2022 on the occasion of 2022 G20 in Bali

2 GTI Global launch event on March 23rd on the occasion of UN 2023 Water Conference in New York

Vision & Mission

Vision

1 

Achieving the goal of reducing global temperature by 1.5 degrees

10 

Successfully implementing a 10-year action plan

100 

Support for over 100 carbon reduction policies

1000 

Solidarity with over 1000 member organizations worldwide

Mission

Supporting Sustainable development

- Development of Green City - Net-zero discharge,
- Development of renewable Energy - Solar Energy, Hydropower, Wind power, Geothermal Energy.

Responding to Climate Change

- Flood & Drought Management (Flood Forecasting & Warning System, SWM)
- Integrated Water Resources Management, Governance

Financial Support

- Funding source for Green Infra. Project
- Soft-loan blended by MDB and developed countries

Expected outcomes

Expansion to achieve Carbon neutrality based on global partnership

Development of climate-related projects in developing countries using Green ODA

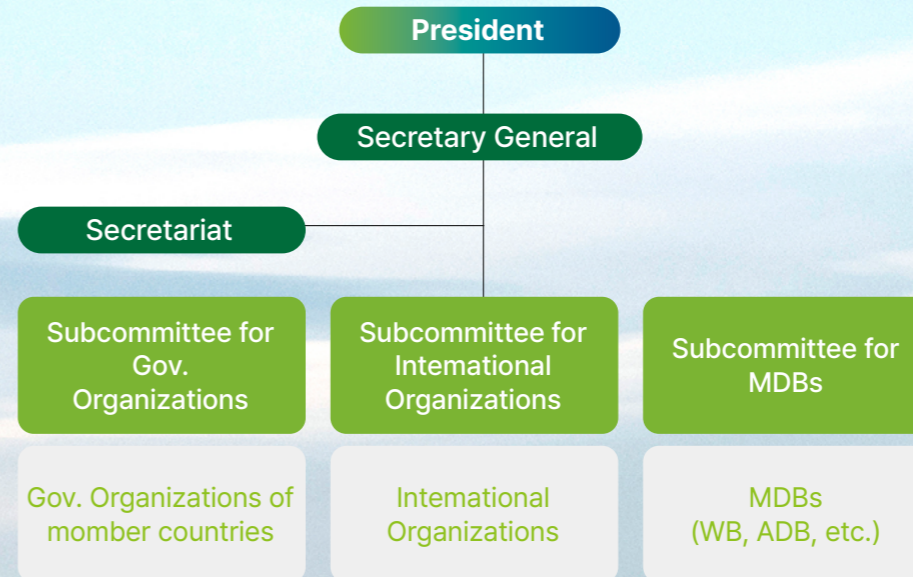

Global cooperation on Carbon neutral effectiveness verification

The operational achievements of GTI are linked to the attainment of UN SDGs

Operation

GTI Council will be the global platform to cooperate and support the green transition with Member countries and organizations

President

GTI members will elect the chair among each country's representatives

Secretariat

GTI members will elect the President among each country's representatives

Purpose Managing GTI Operation Group including each event such as High-Level Round Table and Board meeting

Function financial management, project exploration & implementation, and general administration

Organization Installing the Secretariat Office at K-water

Subcommittee

The integrated operation of the three subcommittees (Gov. Organizations, International Organizations, MDBs) will be operated to derive the detailed and professional output

Plans

2023. 3.

Global Launch of GTI

2023. 6.

Establishment of Secretariat of GTI in Daejeon, Korea

2023. 9.

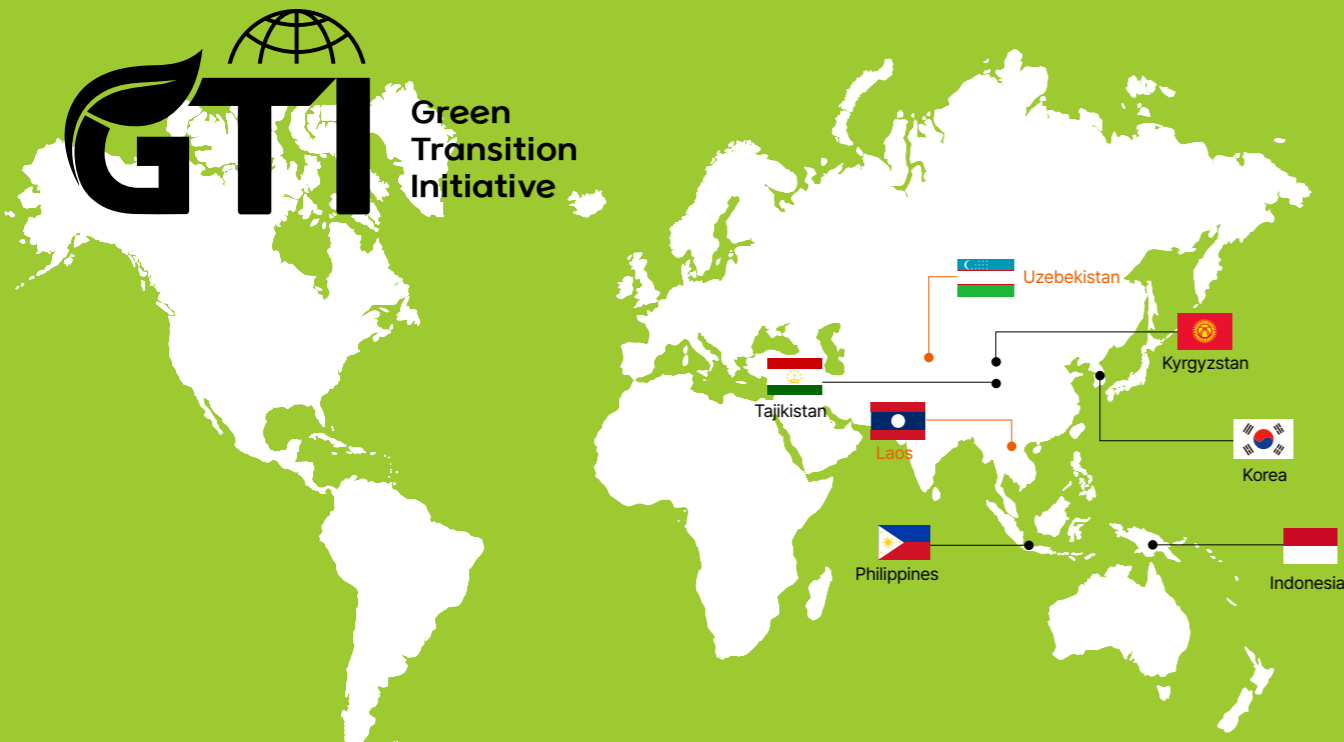

High-Level Round Table Meeting

* on the occasion of the G20 in New Delhi, India

2023. 11.

The 1st Board Meeting of GTI Council

* on the occasion of the COP28 in Dubai, UAE

Event Title Global Launch of the Green Transition Initiative (GTI)

Date & Venue **23 March 2023, 16:00-19:30 / New York, USA**

* The event will be held on the occasion of the UN 2023 Water Conference

Purpose To promote global participation in the Green Transition Initiative (GTI) through introducing the vision

Agenda (tentative)

- Session - ① **16:00~16:55**
1. Opening Remarks (by Minister of Environment, ROK)
 2. Welcoming Remarks (by Minister of Public Works and Housing, Indonesia)
 3. Congratulatory Remarks (by ADB and AWC)
 4. Signing ceremony of Global Cooperation Statement on the GTI
 5. Keynote Speech (by H.E. Seung-Soo Han, the Chairperson of a council of past UN General Assembly Presidents)

Government Korea, Indonesia, Kyrgyzstan, Tajikistan, Uzbekistan, Laos, Philippines

Organizations ADB, AWC, GCF, GGGI, GWP, K-EXIM, WB

- Session - ② **17:00~17:50**
- High-level Panel Discussion
- Discussion among representatives of member countries and organizations

- Session - ③ **18:00~19:30**
- GTI Welcome Dinner

Program of GTI Global Launching

Time		Subject	Remarks
15:45~16:00	15'	VIP Greeting	Governor's Room
- Opening Session -			
16:00~16:30	30'	1. Commemorative photo VIP simultaneous entry, handshake and commemorative photo 2. Opening Remarks Minister of Environment, Korea 3. Welcoming Remarks Minister of Public Works and Housing, Indonesia 4. Congratulatory Remarks 1 Managing Director General of ADB 5. Congratulatory Remarks 2 President(Alternative) of AWC	Representatives of Organizations
- Signing ceremony of Global Cooperation Statemen -			
16:30~16:40	10'	1. GTI introduction & vision video 2. Signing and Joint declaration Governments : Korea, Indonesia, Kyrgyzstan, Tajikistan, Uzbekistan, Laos, Philippines Organizations : ADB, AWC, GCF, GGGI, GWP, K-EXIM, WB	Representatives of countries and organizations
- Keynote Speech -			
16:40~16:55	15'	Keynote Speech Title : Building a cooperative system for carbon neutrality and climate change overcome Speaker : H.E Seungsoo Han, the chairperson of a council of past UN General Assembly Presidents	
- Pannel Discussion -			
17:00~17:50	50'	Main Agenda 1. GTI direction for global cooperation 2. Financial Supporting for Green Infra. Project 3.How to cooperate with GTI?	Moderator (Jaehyang So) Representatives of member countries and organizations
- Welcome Dinner -			
18:00~19:30	90'	Welcome dinner invited by co-host ministers	Governor's Room
